DECEMBER 2018

FOR OUR COMMUNITY

Being Present Is The Best Present

by **Jamie Shinabarger**, *President & CEO*

At holiday time in particular, I am often reminded how blessed we are here in Southern Indiana to have such down-to earth, wholesome community leaders. One such leader is Pat Koch - a vibrant, sharp-witted 87-year old daughter, wife, mother, grandmother, and all-around entrepreneur, who gave the Ferdinand Chamber keynote speech last evening. Pat spoke about her involvement with the local Santa Claus, IN group which responds to the many thousands of letters written to Santa each year. She shared a heart-warming story about a request to write a letter back from Santa Claus to a grown lady who had achieved a nursing degree, and how much it meant to her and why she loves giving back to her community.

She reminded us that "silent" and "listen" share the same letters and that there is a lesson to be learned for all of us in that! That, in this age of social media and instant messaging, we sometimes forget to dial back the chatter and simply live in the moment.

I particularly liked the question posed in the form of a quote she attributed to Abraham Lincoln, asking, "Are you a grumbly hateful, or humbly grateful?"

Finally, she left us with the challenge to service our communities and those around us.

None of this was rocket science, but oh how we all need to be reminded to "stop and smell the roses" in a world that is wired for speed and where the

family unit is under attack, not always due to egregious neglect, but often simply due to our failure to be present!

Congrats to Angie Jones!

Congratulations to our very own Angie Jones, VP & Deposit Manager for completing the 2018 Leadership Development Program of the Indiana Bankers Association (IBA). This program is designed to heighten leadership ability within the industry. The Leadership Development Program (LDP) is a series of four multiday sessions, spaced over an eight-month period, held at Wooded Glen Retreat and Conference Center in Henryville. Participants are selected by Management and work intensively on sharpening skills in leadership, problem-solving and teambuilding.

Dustin Rumble Graduates

Dustin Rumble, Assistant Vice President and Network Administrator, graduated from the Bank Technology Security School from the Graduate School of Banking (GSB) at the University of Wisconsin-Madison on October 26, 2018.

The Graduate School of Banking Bank Technology Security School is a unique one-week school that presents pertinent topics to bank technology. The school brings together some of the financial industry's best financial instructors to present IT security and provides practical application that can be implemented into the organization.

Dustin joined Springs Valley in July 1997 working in the Information Technology Department. In 2011, he was promoted to Assistant Vice President & Network Administrator.

Dustin is a graduate from North Daviess High School and holds a B.S. in Computer Information Systems from the University of Southern Indiana. He and his wife Rhonda live in Loogootee, Indiana and have two daughters, Kenadi and Kortni. Dustin is an active member of Loogootee Christian Church and enjoys watching and helping his daughters with their activities.

"Springs Valley and our customers are lucky to have such an experienced and loyal employee to oversee our technology and security efforts," said Craig Buse, Senior Executive Vice President & CLO. "This is another example of Dustin's commitment to making Springs Valley a safe and secure community bank."
