¹ This APR will vary with the market based on the Prime Rate. We calculate variable APRs by adding a margin to the highest U.S. Prime Rate published in the rates section of The Wall Street Journal on the 10th of each month. If the 10th falls on a day The Wall Street Journal does not publish, we will use the Prime Rate published on the last publishing day preceding the 10th. As of August 10, 2023, the Prime Rate was 8.50%.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT: To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we ask each person for their name, physical & mailing address, date of birth, and other information that will allow us to identify them. Additionally, FinCEN has adopted what they describe as a "two-pronged" approach to beneficial ownership. The ownership prong includes all natural persons with 25% or more direct or indirect equity interest in a legal entity while the control prong is a single individual with significant managerial responsibility (the Rule says "control, manage or direct") over the legal entity. We may ask to see each person's driver's license and other identifying documents, and copy or record information from each of them.
