FOR OUR COMMUNITY

The Universal Banker

As a community bank, our mission is to serve the financial needs of our local communities. We understand that every individual and business is unique, and we strive to provide personalized solutions that meet their specific needs. Springs Valley's Universal Bankers have the knowledge and skills to work with each individual and business to ensure personalized service.

“Springs Valley's Universal Bankers break the mold of what it means to be a Banker.”

- Craig Buse, SEVP & CLO

At Springs Valley Bank & Trust Company, Universal Bankers were first introduced in 2015. The main reason for the change was to provide better customer service.

Springs Valley's Universal Bankers are financial professionals who are trained to handle a variety of banking tasks. Unlike traditional bankers who are typically specialized in one area, such as lending or deposits, our Universal Bankers are trained to handle all aspects of banking. This means they can assist customers with opening accounts, processing transactions, IRA management, eServices (cash management, online banking, debit and credit cards), and consumer lending.

Our Universal Bankers help save customers time and makes banking more convenient.

“Being a Universal Banker at Springs Valley means you do a little bit of everything, you take banking personally, and you are universally AWESOME.”

- Dianna B. Land, SEVP & HR & Marketing Manager
