PERFORMANCE HIGHLIGHTS

OUR MISSION

Springs Valley Bank & Trust Company will enhance the financial quality of life in our communities by focusing on you.

OUR VISION

To be the most respected, trusted, top-of-mind community bank, leading in the markets we serve.

President and CEO, J. Craig Buse, commented, "2025 is trending to be one of the best years in terms of earnings and profitability in the Bank's history. Margin expansion has been a substantive tailwind driving net interest income higher with both yields on assets rising while cost of funds are decreasing due to a combination of the rate environment and the repricing structure of our assets. We have seen net interest margin (NIM) expansion of roughly 58 basis points when comparing the 2025 third quarter NIM to the third quarter NIM of 2024. The Bank continues to focus on quality in the credit portfolio, bolstering liquidity, and low cost core deposit growth. Overall, our strategic focus has not changed. Springs Valley continues to focus on relationship-oriented community banking to provide year-over-year financial performance for all stakeholders."
